HIPAA NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy describes how we may use and disclose your protected health information (PHI) to carry our treatment, payment or health care operations (TPO) for other purposes that are permitted or required by law. "Protected Health Information" is information about you, including demographic information that may identify you and that related to your past, present, or future physical or mental health or condition and related care services.

Use and Disclosures of Protected Health Information:

Your protected health information may be used and disclosed by your physician, our staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, pay your health care bills, to support the operations of the physician's practice, and any other use required by law.

Treatment: We will use and disclose your protected health information to provide, coordinate, or manage your health care and any related services. This includes the coordination or management of your health care with a third party. For example, we would disclose your protected health information, as necessary, to a home health agency that provides care to you. For example, your health care information may be provided to a physician to whom you have been referred to ensure that the physician has the necessary information to diagnose or treat you.

Payment: Your protected health information will be used, as needed, to obtain payment for your health care services. For example, obtaining approval for a hospital stay may require that your relevant protected health information be disclosed to the health plan to obtain approval for the hospital admission.

Healthcare Operations: We may disclose, as needed, your protected health information in order to support the business activities of your physician's practice. These activities include, but are not limited to, quality assessment activities, employee review activities, training of medical students, licensing, marketing, and fund raising activities, and conduction or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients at our office. In addition, we may use a sign-in sheet at the registration desk where you will be asked to sign your name and indicate your physician. We may also call you by name in the waiting room when your physician is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointment.

We may use or disclose your protected health information in the following situations without your authorization. These situations included as required by law, public health issues, communicable diseases, health oversight, abuse or neglect, food and drug administration requirements, legal proceedings, law enforcement, coroners, funeral directors, and organ donation. Required uses and disclosures under the law, we must make disclosures to you when required by the Secretary of the Department of Health and Human Services to investigate or determine our compliance with the requirements of Section 164.500.

OTHER PERMITTED AND REQUIRED USES AND DISCLOSURES WILL BE MADE ONLY WITH YOUR CONSENT, AUTHORIZATION OR OPPORTUNITY TO OBJECT UNLESS REQUIRED BY LAW.

You may revoke this authorization, at any time, in writing, except to the extent that your physician or the physician's practice has taken an action in reliance on the use or disclosure indicated in the authorization.

### Insurance Coverage:

Welcome to *Back & Neck Care Chiropractic, Acupuncture, & Sports Massage*. Your insurance policy is an agreement between you and your insurer, not between your insurer and this clinic. Like all types of care, coverage for chiropractic, acupuncture and massage services varies from insurer to insurer, and plan to plan. Most insurance policies require the beneficiary to pay a co-insurance, co-payment, and/or deductible. Our clinic will call your insurer to verify your benefits; however, we are not responsible for your insurer's final payment and benefit determinations. If we are unable to verify your insurance, you are responsible for our first visit fee, until your portion is verified. After insurance verification, if we have overestimated your responsibility, you will have a credit on file; if we have underestimated your portion, the first visit fee helps you avoid being behind on your account, or receiving a surprise bill in the mail.

### Payments:

In order to help you determine your responsibility toward payment for services, please read the following, and initial your preference for the method of payment of your account. Please notify the office immediately if the status of your insurance has changed. First visit charges are expected to be paid prior to your first visit. We accept cash, check or credit card.

\_\_\_ **Option 1: Time of Service**—As I have no insurance, I agree to assume all responsibility and to keep my account current by paying for services when they are rendered.

\_\_\_ **Option 2: Health Insurance**—I would like this clinic to bill my health insurance. I understand I am ultimately responsible for all costs of treatment. Additionally, not all services are covered by insurance. We will make every attempt to inform you of non-covered services so that you can make an informed decision; however, you are still responsible for paying for all services rendered.

\_\_\_ **Option 3: Worker's Compensation**—I would like this clinic to bill the Department of Labor & Industries (L&I)/or another responsible party. I understand I am responsible for reporting my accident to my employer, and for providing our office with the necessary insurance information, and completed Accident Report for L&I. Until this aforementioned information is provided, OR if the claim is denied I am required to pay for my care out of pocket. Approved Worker's Compensation claims are not required to pay for care as it is rendered. Transfer of Care claims will be verified with the claims manger. Reopening of claims closed past 90 days will require me to make personal arrangements for payment, and will be reimbursed if claim is allowed.

\_\_\_ **Option 4: Personal Injury**—I would like this clinic to bill my auto insurance, third party auto insurance, or personal injury claim. I understand I need to provide our office with the accident report, auto insurance, health insurance, and attorney, if applicable. If the claim is a possible third party liability, I am responsible for providing the other parties' insurance carrier information, as well as retaining an attorney Letter of Protection, in order to be seen in our office. Until necessary insurance information is gathered and verified for chiropractic care, you will be required to pay for your care on a cash basis. Patients with approved personal injury claims are not required to pay for care as it is rendered.

### Missed Visit Policy:

It is the policy of *Back & Neck Care Chiropractic, Acupuncture, & Sports Massage* to assess a \$30 missed visit fee to patients who cancel massage and acupuncture appointments with less than 24 hour notice. One missed visit will not result in the assessment of the fee, but you will be charged for any additional missed visits. This clinic provides care for many individuals and missed visits result in time lost that could have been used to provide care for others.

**My initials here indicate that I have read and understand the Missed Visit Policy.**

**Notice:** If your account becomes **PAST DUE**, and we have had no contact with you in over 90 days, your account will be sent to our collection agency. Every effort will be made to work with you to avoid this.

**I understand and agree to the Financial Policies of *Back & Neck Care Chiropractic, Acupuncture & Sports Massage***
